

Central New York Bluegrass Association

New Officers and Board Members for 2008-2009

At our annual meeting in April, we voted on a new slate of officers and board members for the upcoming year. Elected by paper ballot were the following new officers:

President: Dennis Crawford
Vice-President: Bill Light
Secretary: Pat Fellows
Treasurer: John Warner

Because Joy Crouch was nominated from the floor to run for a three-year seat on the board, we had four candidates running for three positions. The new board members elected include -

Shirley Stevens - 3 years
Kathy Kinney - 3 years
Ed VanCott - 1 year

The paper ballots were counted by one of the association's founders and our terrific membership, sunshine, and Ramblin' lady, Helen Weldon, and Shelly Coleman.

Our thanks go out to the nomination committee chaired by Bill Light and assisted by Ed VanCott, Mark Sostrin, John Crouch, and Chuck Foltz. We wish all the new officers and board members the best of luck for next year. The association needs these strong leaders, and the membership needs to support and assist all their efforts to improve our association.

Let's have a great 2008-2009!!

JOIN US AT THE JUNE PICNIC & MEETING

Where: Mercer Park, Baldwinsville

When: June 8, 2008, pickin' from 9 a.m.

What to bring: table service, beverage, and dish to pass. Coffee will be provided by John Crouch. Ham is provided by CNYBA and prepared by Kathy Kinney (Thanks, Kathy!). Food will be served around noon.

Note: There will be a **June meeting at 2 p.m.** -- please be there for the meeting!

Summer Jam Sessions

Where: Park Rose Estates ([see directions](#))

When: Sundays, July 13 and August 10, 10 a.m. to 4 p.m. in the Activities Room. A donation of \$2.00 at the door is appreciated. The donation will go to Park Rose, to be used by their entertainment committee.

There is a kitchenette there for our use, if anyone wants to bring some food. Hopefully, some of Park Rose's residents will join us too -- we're a clean, friendly bunch, and people like us!

Directions. From Route 81, north or south, take the exit for Hancock Airport (Exit 27) and Taft Road. As you go down the exit, be sure you head for Taft Road, not the airport. The exit will split. Stay toward Taft Road. Take a turn onto West Taft Road. Do not go east. Continue on West Taft Road, past Fay Park Dr. on your left, Willow Rd. on your left, Allen Rd. on your right, Buckley Road on your right and left (traffic light here), and Hollywood Circle on your right. Immediately after Hollywood Circle, you will see a medical building on your left and a road that looks more like a driveway. That's Janus Park Drive. As you go down that road, you'll see a large complex off to your right that looks like an apartment building. Head toward that building. That is Park Rose Estates. There is plenty of available parking. Just head in the front door, and anyone can direct you to the Activities Room where we'll be pickin'. **See you there!!**

NEW HOME FOR CNYBA

All old and new officers and board members met at Park Rose Estates, 7251 Janus Park Drive, Liverpool, NY, on Thursday, May 8th, to tour the facility as a potential new meeting site for CNYBA and to hold a board meeting. This is a privately-run senior citizen complex that has offered to let us meet there for free. There are several rooms in which we can meet, pick, or hold workshops; a theater where we could view videos or hold small performances for the senior citizens; plenty of parking; and elevator access to all parts of the facility. All the present board members voted to move our meetings to this facility starting this September. We have included directions to Park Rose Estates in this newsletter (see page one). Our thanks go to Chuck Foutz for locating this wonderful spot for our meetings!

Bakeless Bake Sale

Just a reminder -- If you haven't sent Cathy Campbell your donation for the bakeless bake sale, please do so ASAP. Flyers were sent out around May 10th; but if you did not receive one, here's the scoop. We're trying to augment our treasury by asking members to send the money they would spend on baking for a bake sale to the association instead of having to bake and work at a bake sale to raise some money. Whatever you can send will be GREATLY appreciated. Cathy's address is on page one of this newsletter.

Pete Wernick ("Dr. Banjo") brings his nationally renowned Bluegrass Jam Camp back to New York State **July 15-17, preceding the Grey Fox Bluegrass Festival in Oak Hill, NY**, the new site of the festival. The camp is open to pickers of all bluegrass instruments, of all skill levels. Jamming experience is not necessary.

The only requirement is the ability to play rhythm for the following chords: G,C, D, A. Instrumental soloing and fast playing are not required or expected. Campers learn to follow chord changes, pick out melodies, improvise solos, sing harmony, and follow the ground rules of bluegrass jamming in supervised small groups.

Ramblin' with Helen:

I thought when it was time to have another "visit" with you all, we would be enjoying warm weather. HOWEVER, as I start writing this on 5/19, it is a very dark, cloudy, COLD and WINDY day – not expected to hit 50 degrees!

On March 27th, I received an email from **Brenda Wrench**, saying Ted had undergone surgery to reroute his pacemaker leads so they wouldn't zap him, and also put in some stents where needed. On April 25th, received an email telling that they had a good trip home from Florida, and that Ted was doing fine.

When **George Reese** sent his renewal, he included the following message to share with you all – "Hello Helen – Mabel and I are doing ok. I have been in the hospital a couple of times since last I wrote you, mostly due to heart related problems. Right now everything is going ok. We just had our first measurable snow since we have been down here, 3 to 4", but all gone the next day. Our weekly jam session is going well. I really enjoy them--get to go to some other jams in Lexington with Sherri and Joe on occasion. Am really sorry to hear of the many changes in the club. Know that leaving the Masons was unavoidable but not having a festival and not getting a newsletter every month is regrettable. I, for one that lives away, looked forward to getting your column every month plus other things going on made a bright spot in the month. News that is 3 months old just doesn't do a lot for me, and I'm sure a lot of

others feel the same way. Give our regards to the other folks that remember us." (Sincerely, George and Mabel Reese) I sent George a "Thinking Of You Card" when I sent him his dues card and receipt, and hope he continues to stay well and out of the hospital.

Off and on thru the months, **Maryan VanDusen** and I have had telephone conversations, and I learned that their daughter Nada had spent some time in the hospital in late March, and since then she seems to be better than she has been in a long time. Let's keep prayers going for her, that she will continue to do so. The "little one" that Maryan and John have is now a "big one." Has to do with the loving care given to him by that couple!

Altho **Carl Leege** is unable to attend our meetings, he sent his renewal in April because he still feels "attached to CNYBA" thru the "Ramblin' with Helen" column. He also spoke about the excellent coverage in the Dec. issue regarding the passing of our beloved Andy Pawlenko. Carl has been a member since the early 70's, and got interested in the music by listening to Bill Knowlton's "Bluegrass Ramble" while driving home from his work in Rochester to Wolcott on Sun. nites. He attended the first festival held at the late Frank Saplin's farm, and was sold on the music and our organization. His wife Clara is now in a nursing home in Canandaigua, NY.

I had a nice note from **Bert Mehlenbacher**, written April 12th to let me know his dear wife Alice is now in a nursing home in Rochester – at Brightonian, 1919

Elmwood Ave., Rochester, NY. 14620. Bert has moved to be closer to her at: 81 Linden Ave., Apt. 002, Rochester, NY. 14610. This couple have been members for well over 25 years, so please take a moment and send a card or note to each of them. Thanks Bert for your very kind words regarding my work for CNYBA – they do help to try to make my decision as to how long more I will continue a bit more positive.

I hope many of you heard about **Mary Anne and Jack Burn's 50th Anniversary Party** on Sat., April 19th at the American Legion in Marcellus. I sent a card from our association, and folks hope it was a huge success and that lots of your family and bluegrass friends were able to join you.

When **B. Joanne Baxter** sent her renewal on May 7th, she included a nice note telling about going to one of **Ron and Nancy OneSong's Concerts** and how they discussed the fact of no festival at LaFayette this year; the change in meeting places, change of our president, etc. and all hoped that CNYBA can come back to be an active club again soon. As she said, folks are getting older, busier with other activities, and now the cost of gas! She had to end her note as she was going out to work in her flower bed – more power to you Joanne and hope that garden is a beautiful one this year.

I had a nice note from **Peg Miller**, along with their renewal – she felt badly because she was late in sending it. That indeed is a problem with getting a quarterly newsletter. I removed 18 names of

members whose memberships were due in Jan. and Feb., as those folks did have a reminder with a highlighted label in the March issue.

All of those whose memberships are due in March, April, May, June and July, will have their dates highlighted on the June issue. PLEASE just take a moment to mark your calendar when your membership is due and send it to me – early is fine too! (50+ labels will be highlighted).

I know our acting president **Dennis Crawford** has worked hard to spread the word that our dear member **Olive Loucks was going to celebrate her 90th birthday on May 23rd**, and a card shower was suggested. I understand that she and Vernon were at the May 11th meeting and an “early” celebration was held! **Congratulations Olive – you are indeed a dear lady and friend to all – may you enjoy God’s richest blessings and celebrate more birthdays.** Folks, if you didn’t know about it, you can still send a card to: 629 Lakeport Rd., Chittenango, NY. 13037.

I felt badly that I was unable to attend the May meeting due to no offer of a ride; but, thanks to **Neil Shortslef** for an offer to ride with him, I was able to go to the Annual Meeting on April 13th. **CONGRATULATIONS to our new slate of officers** who will take over in September. I truly feel their goal is to get our CNYBA back on the right track. **Please give them a chance, and offer to help them.**

Just this past week, I had an email from **Joy Crouch**, telling me that when she had her yearly mammogram. They found a lump, and she is waiting for an appointment for a biopsy. **Please keep Joy in your prayers**, as she has such a strong faith that prayers did help her beat her last bout with cancer, and that they again will help her thru the days ahead – let’s hope and pray it is not cancerous.

Since our last newsletter, we’re happy to **WELCOME new members: Ron & Shelly Coleman; Barb & Tim Stevens; Jim and Karen Brower; Peter McDonald & Family and Greg & Joyce Rundle.** A big **THANK YOU** to the following who included donations when they renewed: **Martin Lovell; Lou Steigerwald; A. Fred Castle; George Reese; Bob Deverell, Bob Wright; Dale & Audrey Barnell; Roger & Roberta Ward and Paul Jantzi.**

I just had a nice visit with **Kathleen Mayhew**, another longtime member, as she called to ask a question about our **Bakeless Bake Sale Fundraiser.** She had never heard of one and wondered if it was going to be a monthly thing. I assured her it was a one-time (per year anyways) effort, and a suggestion I was so happy to see given a try. Thru my Eastern Star Chapter in Cato, we have one each year and have never made less than three hundred dollars with a membership of 90; so hopefully with our much larger membership and everyone’s cooperation, our treasury should receive a big increase.

Last evening I had an email from **Shirley Stevens** asking if I had a way to go to the picnic on June 8th. She is planning on going for awhile, but has a playing gig later in the day; she still offered to come to Cato for me and find me a ride home. I told her not to plan on that as she has a full enough day. I don’t want anyone to go out of their way to accommodate me, but if someone is going thru Cato, or near enough to do so, then I would appreciate an offer to be able to go to our meetings and events. My plans are uncertain for June 8th right now; but as the time gets closer, one might check with me. **THANKS.** I heard from a couple of members via email that the **Jamboree was a success, and that there are others in the planning stages.** I thought about you all and even got home early from working the Legion Pancake Breakfast, in case the member who promised I would have a way did find one, but I heard nothing. Oh, well, maybe things will work out so I can attend the next one.

Well, folks, it’s been nice visiting with each of you, and I urge you to **support the benefit for VERA HOUSE** put on by Friends of Bluegrass **under the direction of Ed Campbell** at the **LaFayette Apple Valley Festival Grounds on July 31st, Aug. 1st and 2nd**, along with all the other festivals throughout Central New York. Have a wonderful summer; and if our paths don’t cross before, perhaps they will at our **September 14th meeting** at our new location. (Helen).

RETURN TO MONTHLY NEWSLETTER

The board has voted to return to our prior newsletter format, which is eleven issues (July and August combined in one). This change was announced at the May general meeting. **We will have a short business meeting at the picnic on June 8 to vote on this change.**

The board is considering funding options to defray the cost of printing and mailing the newsletter. These options include (1) An annual fundraiser with all proceeds going to newsletter expenses, (2) Selling ads in each issue, (3) A surcharge for members wanting the paper version, to cover mailing and printing costs.

Remember, these are options being discussed; we haven't settled on anything. If you have strong opinions about any of these options, or have other ideas, please contact Dennis Crawford. Obviously, it's **important that you attend the 2 p.m. meeting at the picnic on June 8th. See you there!**

-- Dennis

FROM THE PREZ ...

By now, many of you know of our successful showcase at Wacky Wyatt's. It wasn't without problems, of course. But our team approach worked, and we had a showcase that was successful both financially and musically. I'm pleased to announce the Board has approved continuing the showcases for the next season, beginning in August. Kathy Kinney will be putting a team together to help organize and promote these events. Please contact her at 315-277-1988 to volunteer.

I'm also looking forward to working with the staff and residents of our new meeting place, Park Rose Estates. You'll find information about Park Rose elsewhere in this newsletter. The staff has been very accommodating, and the residents I've met are looking forward to having us there. The Activity Room is reserved for CNYBA jams in July and August (see page one). I hope everyone enjoys the summer jams, and that we can make new friends at Park Rose Estates.

FROM THE PREZ... -- continued

Summer is upon us, and there may be opportunities to introduce CNYBA (and 'our' music!) to a new audience. It would be great to have a few CNYBA musicians ready to perform at events throughout the area, as the opportunity arises. If you are interested in being part of a 'musical troupe' and playing some events this summer, please contact me. And if you know of an event in your area that we could attend, please let me know. We have some great talent in our organization - it would be a shame to let these opportunities pass us by. By making our presence known, we can attract new listeners and new members.

Finally, a special request; in my area, we have a paper called The Tri-Town News. It's a small paper with almost no state or national news. But if you want to know what's happening locally, it's the one place everyone looks. I'm sure you have a similar paper in your area. The request is this: bring (or mail) us a copy of YOUR local paper. If you can get it to Kathy Kinney, Sharon Foulz, or me, we can add them to our contact list for future publicity.

Hope everyone has a summer full of bluegrass!

Notice:

Chuck Foulz noted that Park Rose Estates is having a Flag Day ceremony on June 14th. They asked if CNYBA would want to have a band of players there. There will be a flag-raising ceremony by an Air Force team, and possibly an antique car show. Details are sketchy right now since the Park Rose manager is on vacation. **If you want to perform, contact me ASAP, so I can get further details.**
